The President of the petitioner-society by name K.Koteshwara Rao filed a withdrawal memo stating that the petitioner-society has entered into an agreement with the respondent and therefore, the managing committee of the Society authorised him to withdraw the writ petition and accordingly sought permission for the same.

The learned counsel appearing for the petitioner submits that he has no instructions about the withdrawal memo filed by the petitioner-society, but, he could not dispute the signature of its President (petitioner) contained in the withdrawal memo from that of the vakalat.

As the petitioner-society represented by its President wants to withdraw the present writ petition, I do not see any objection for permitting the petitioner to withdraw the writ petition.

In view of the memo filed by the petitioner, the Writ Petition is dismissed as withdrawn. No costs.
